## TASTING NOTES

**It is one that people will talk about!** It's vibrant, exotic, and well-proportioned with ample baking spice, exquisitely ripe blackberries and popping-ripe blueberries. The attack is rich in viscosity and unctuously ripe flavours of black cherries and Boysen berries along with scented, toasted oak and liquorice. The finish is notably long and layered, and smooth tannins meld in easily. Some zippy acidity lift gives this excellent freshness.. 92 Points (WE, 3/16/2023)

A Gorgeous rendition of variety, cassis, violet and cedary oak character with a subtle tobacco nuance. The concentrated palate displays excellent fruit purity and power, superbly complemented by richly textured mouthfeel by sturdy tannin, leading to lengthy structured finish. 96 Points (Wine Orbit 2022)
