## TASTING NOTES

Offering excellent depth and structure, the wine shows blackberry, sweet plum, thyme, toasted spice and cedary oak characters on the nose. It's bold and weighty in the mouth delivering excellent richness with refinement, well structured by beautifully balanced tannins. Wonderfully flavoursome and immensely appealing. 95 Points (Wine Orbit 2022)

Fairly deep purple-ruby. The nose is appealing and fairly complex with ripe black cherry/blackcurrant, a touch of tobacco and fresh herbs, graphite and licorice. It is medium-full bodied, quite sophisticated, smooth and generous. Tannins are quite fine yet youthfully firm (Wine Aligh 2022)
