## TASTING NOTES

Clear, bright, moderate ruby colour. Nose is clean, intense and youthful, notes of ripe black current, black cherry, mint. Long finish. Concentrated fruit flavours, with moderate complexity. Great value for money wine.. Gold Medal (London Wine Competition 2023)

Bold and impressively styled, the wine shows black/blueberry, violet, cured meat and toasty oak characters. The palate delivers excellent depth and persistency, wonderfully framed by layers of fine tannins. Flavourful and delectably appealing. 95 Points (Wine Orbit 2022)
